Whitney M. Young Jr. Service Award

The Whitney M. Young Jr. Service Award is to recognize outstanding service by an individual for demonstrated involvement in the development and implementation of Scouting opportunities for youth from rural or low-income urban backgrounds-this in fulfillment of Dr. Young's dream of justice and equality for all.

*Many Culture-One Mission
The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.*

The proceeds from The Whitney M. Young Jr. Service Award event will support the Assistance to Others Fund of the California Inland Empire Council, Boy Scouts of America, designed to help provide financial outreach for those youth and families in need of Scout registration fees, camperships, Scouting handbooks, uniform needs and training scholarships.
