Phone: (____) _____ E-mail _____

Unit/Number: _____ District: _____ (See Back for pre-work suggestions)

***Please send one registration per person. Please fill out information on page 2.**

****Below are some suggested pre-work to have completed (be able to show proof: pictures, video, final project) before attending the SOAR Event. Parents can sign a letter confirming family discussions only. Not completing these requirements might result in a partial blue card. Some merit badges cannot be completed in a day, so a partial will be given.**

- Environmental Science: #3c, 3e, 3f, 4
- Fishing: #9,10
- Fly Fishing: #6,10,11
- Forestry: #1 – use iNaturalist to identify unknown species
- Geology: #5
- Nature: #4 – use iNaturalist to identify unknown species
- Public Health: #5, 7, 8
- Sustainability: #1 (family discussion), Water 2a, Food 2a, Stuff 2a, Energy B or C, 5a
- Weather: #3,6,9, be prepared to do #10

*****Merit Badge Worksheets** are helpful tools for the scouts to list, draw, or plan their merit badge requirements. The worksheets do not replace discussion or hands-on requirements and are not considered proof of completing a requirement.

(Service project: When scheduled, Participants must bring with them a signed permission slip, COVID waiver, and current BSA medical Forms Parts A and B. More information will be sent when the project(s) are approved.)

Please indicate your 1st thru 4th choice of merit badges. Merit badge workshops are virtual and will be limited to 10 or less participants. Some badges might be offered more than once. **We will do our best to get you into your top 2 choices.** Cannot take both Sustainability and Environmental Science.

Choice1: _____ Choice2: _____

**Choice3: _____ **Choice4: _____

Due to COVID restrictions, the service project dates are still currently to be determined.
