Membership Minute

ScoutsBSA – Sept 9, 2020

Webelos Transition Support
UPDATE Online Registration Status

Deadline is September 10 to Reply! ScoutsBSA Webelos Transition Support

Attention, ScoutsBSA Troop Leaders:

In an effort to support Webelos Transitions to Troops, we are building Troop Contact Information Sheets to distribute to Webelos and Arrow of Light Leaders and families! These sheets will provide families information about your Units and contact information to schedule Troop visits.

These Information Sheets are ***an Opt-In Opportunity*** so that we can ensure that all of the information we provide is current and accurate – and so we have your unit's authorization to distribute the information. The deadline to submit your Troop information is September 10. Click here to submit your Troop Information:

California Inland Empire Council.

\$25 FEE will be paid by the CIEC
through the end of 2020.

UPDATE!

ONLINE REGISTRATION FEES

Currently, as of this Membership Minute, September 9, 2020, The Online Registration System has been updated and now collects both the National fees AND the California Inland Empire Council Fees!

However, the system also collects the \$25 New Member Joining Fee that our Council is covering through the end of 2020.

The easiest way for new members in our Council to join Scouts is to use a paper or an Electronic PDF Application: Units can collect these applications to mail or e-mail them to the Council Office to register new Scouts and remit the fees directly to the Council.

Use Google or this website to find links to PDF BSA applications:
